

GOVERNMENT COLLEGE FOR WOMEN (AUTONOMOUS) SRIKAKULAM

Reaccredited by NAAC with 'A' Grade 3rd cycle CGPA 3.09
ESTD:1968(Affiliated to DR.B.R.Ambedkar University)

TITLE: PEER to PEER LEARNING /MENTORING

OBJECTIVE:

- To enhance their subject skills
- To improve communication skills

CONTEXT:

In this peer to peer learning the senior students become the mentors for junior students and the advance learners from the same class will mentor the slow learners of the same class.

This type of practice helps :

To maintain coordination between the seniors and juniors

To understand each other in a better way and develop trust based relationships

THE PRACTICE :

The department of Computer Science and Applications at Government College for Women(A), Srikakulam is **encouraging senior students to mentor the juniors** .Mentoring makes students better and effective listeners. It teaches them time management, technique of empowering others and improves their communication skills.. For the mentee (junior student) it is easy to trust someone who has faced similar thoughts, queries and challenges, and learn how they overcame those situations

Department fosters a supportive learning environment by **encouraging advanced learners to mentor their peers who require additional support**. This innovative approach leverages the effectiveness of peer group learning where students learn from one another promoting collective growth and understanding.

EVIDENCE OF SUCCESS:

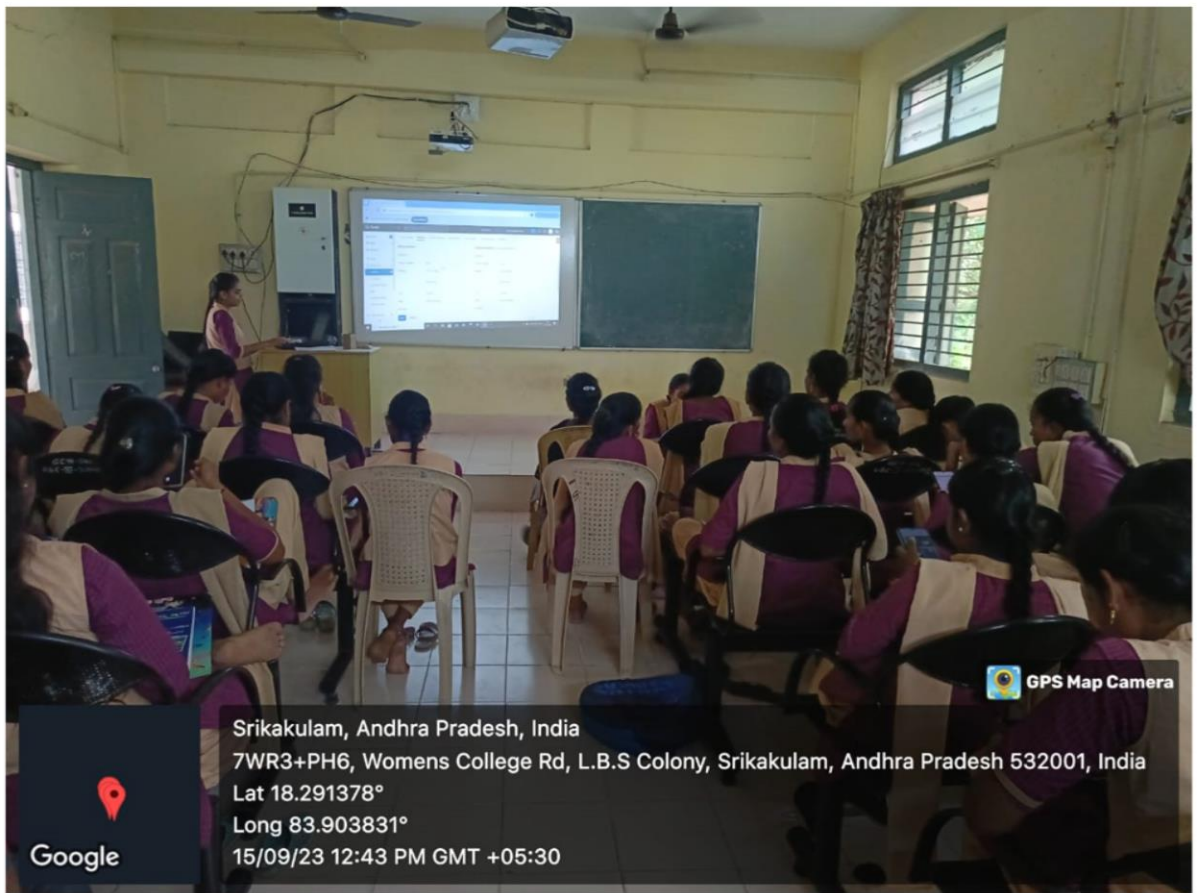

The skills of the students improved over the time period. The students got better communication skills & subject skills over the period of time.

Problems Encountered and Resources Required: Students stepping out of their comfort zone to extend their time for mentoring students.
