

Title of the Best Practice : National Voters Day Pledge.

Activity Description : National Voters Day Pledge at Women's College, Srikakulam on January 25, 2024. The Department of Political Science at Women's College, Srikakulam, organized a significant event to observe National Voters Day. The day was marked with a solemn Pledge ceremony aimed at promoting voter awareness and encouraging active participation in the democratic process.

The event began with a brief introduction about the significance of National Voters Day which is celebrated every year to highlight the importance of voting and to encourage young citizens to exercise their right to vote. Faculty members and students gathered in the college premises, where they collectively took an oath to uphold the principles of democracy, ensure free and fair elections, and pledge to vote in the upcoming elections.

The ceremony concluded with a reminder of the significance of voting in maintaining the democratic fabric of the country. Followed by a short discussion on how each individual's vote can make a difference. This event not only encouraged voter participation but also contributed to raising awareness about the electoral process among young minds, helping to foster a sense of civic duty among students.
